**NOTICE TO THE MARKET**

**Suspension of the Special Monitoring by Anatel**

**Oi S.A. – In Judicial Reorganization** [“Oi” or the “Company”], in compliance with the provisions of CVM Instruction 358/02 and further to the Notice to the Market dated May 8, 2019, hereby informs its shareholders and the market in general that it has been informed of a decision rendered by the Directing Council of the National Telecommunications Agency (*Conselho Diretor da Agência Nacional de Telecomunicações – Anatel*) today, which suspended the special monitoring that has been carried out until this date based on the Decision Order Judgment No. 226, dated May 3, 2019 (the “Decision Order Judgment”), because it considered that the short-term liquidity risk of the Company and its subsidiaries (the “Oi Companies”) has been remedied.

As a result, the precautionary obligations previously imposed to the Oi Companies and listed in the aforementioned Decision Order Judgment have been revoked, and the Oi Companies are again subject to the traditional monitoring regime imposed by Anatel to the other telecommunication service concessionaires.
